Dear Prakhar,

Welcome to the Infosys family!

To help you get started, we request you to download **Launchpad**, our onboarding app. You will be required to fill out your information in various applications on your date of joining. This app has been designed to complete this process in advance.

You can download the app here:

Steps for downloading on Android:

Scan the QR code to download the Infosys Launchpad app

Steps for downloading on iOS:

Scan the QR code to download the Infosys Launchpad app

Alternatively, click on the below icon to download or Go to Play Store and search '**Infosys Launchpad**' and install the latest version.

Note: In case you see blank screen while trying to Login to the App, Please update the Chrome browser on your device to the latest version from Google Play Store.

1) Alternatively, copy the below URL in the safari(Apple browser) and a message will come "Open this page in iTunes", select Open.

URL : itms-services://?action=download-manifest& url=<https://interface.infosys.com/InfosysStore/InfosysLaunchpad/Launchpad.plist>

2) After few seconds, a pop up with two options "Cancel" and "Install" will come, please click on install.

3) The application will appear on your device with the label "Waiting", please tap the app icon once the label will change from "Waiting" to "Loading".

4) The App will be installed on the device.

Note: iOS users will have to trust the application by going to Settings -> General -> Device Management -> Trust "Infosys Limited" after downloading the app.

You could also login to the browser version on the following link by using the same credentials - <https://launchpad.infosysapps.com/login> (Please use Google Chrome for an enhanced experience)

Please find below your login credentials:

Username - prakharmishra1704@gmail.com

Password - uhnpxhk2ox

Candidate ID - 1002516778 (if required)

This is a one-time password and you'll need to change it upon first log in.

If you need any assistance, please drop a mail to Infosys_Launchpad@infosys.com.

All the best and look forward to seeing you soon!

Regards,

The Infosys team
